Please be sure to attach the following:

- A copy of your resume
- At least one, and up to three personal references (including Name, Relationship to student, Company, and Phone Number)
- A statement explaining why you are interested in the training or internship opportunity. Use your best judgment on what to include, but the following are often helpful to include:
 - A brief description of your academic record, relevant classes, etc.
 - A summary of any opportunities you have already had for research related activities. If you have not had these opportunities yet. That is OK, too.
 - We strongly recommend a description of your academic and career goals, but more importantly how the training or internship could help you accomplish them.
